

Testimonials for Jeff Krick

Hi Jeff! I just wanted to say thank you for another great night! We had so much fun! My nieces said that you were a far better performer than the show they saw in Vegas. They loved the show! Until we meet again. God Bless. - Kathy Haas - Philadelphia, PA

Jeff,

Over the years I have heard a lot of singers with great voices; who lack the foggiest idea where & how to hold the microphone for their voice with various songs. Hearing you, and watching you, is a marvelous experience, watching someone who has mastered it. Mastered it, way beyond any singer I have ever heard in person! Also, your attention to detail, overall sound, lighting and volume is the right mix to enhance your amazing talent. - Ken Howard - Reading, PA

Jeff, we want to thank you for making our party on 10/22/10 a HUGE SUCCESS! Our guests are still raving how impressed they were with your voice, actions and humor. Many have suggested this become an annual event. I believe now they understand why we cannot get enough of your awesome performances. The show you gave us is definitely one of our all time favorites. We are honored to have you and your fabulous family and friends in our lives. We Love You! - Jim & Irene Lagler - Dryville PA

Jeff everyone that I have spoken to that seen you at the Forbes Road High School cannot get over how good your singing voice is. Would you believe that some thought you were actually lip syncing! You floored them with your acapella. They could not get over your aggressive non stop performance for two and a half hours, and your close personality with everyone. The Hustontown Fire Department along with myself want to bring you back and have you do a longer show including a dance set of oldies. I have also heard other venues along with private inquires are interested from south central Pennsylvania. A very big two thumbs up! - Joe Eaton - Shade Gap, PA

Hello Jeff, you are the greatest Elvis Tribute Artist anywhere!!! Not only I know this but a lot of people do and are really taking notice! Bandstand Bonnie is one of them and she is right, you are without a doubt the best.! Keep it up, you deserve it! - Joe Franckowiak - Reading, PA

My family has listened to the CD's we bought at your show this past weekend. Your wife sings "Loretta Lynn" better than the ones we heard in Branson, Missouri and they were very impressed with you and your wife both. They couldn't believe how good you and your wife are. I can't wait to buy more of your CD's. We will be working on getting your performance to North and South Carolina! Elvis would be

extremely proud! You do an excellent performance and can't wait to see you perform again! - Mary Altman - Fayetteville, NC

Hi Jeff, We all loved your show at the McClure Carnival. You are awesome! - Arla Peters - Burnham, PA

Dear Jeff, just a short note to say, "thank you". What a wonderful performance, very entertaining. We enjoyed the evening at the Cottage Green. How blessed to be able to travel around and have your dear family go with you. We are hoping to join you again on December 11th and bring others with us. God bless you and thanks for a good evening. I am one of the ladies who got the Teddy Bear. I am giving it to my 3 month old granddaughter. Thanks again. - Marcia & Bill Peatross - Palmyra, NJ

We watched Jeff Krick, the number 1 Elvis Tribute artist perform live, non stop for 3 hours. He looks and sounds just like Elvis. We never saw a performer with such charisma, talent, and personality "Put Out" so much for an audience. He worked the crowd and every table and got several standing ovations! After the "one man" show was over, he changed, sang oldies and everyone danced

the remainder of the night away. I highly recommend anyone that loved Elvis and loves to dance to the oldies to get out and see him. He is incredible and by far the best Elvis artist I have ever seen! - Carol Lieberman - Glenside, PA

Hello Jeff,

YOU are sensational...Oh My God... you have so much talent, and charisma...it's incredible! I have never seen an Elvis tribute singer as good as you...and I've seen quite a few of them! Your performance was exceptional...and I mean that from the bottom of my heart! The songs, the lighting, your personality, everything...just magnificent! And then when you came out again to sing the oldies...wow...that was just unbelievable! It was a great evening, and you made it happen! My friends and family all loved your performance as much as I did!

WE LOVE JEFF KRICK! - Bandstand Bonnie - Ridley Park, PA

Thank you Jeff so much for the great performance at my party. You were wonderful as usual! Everyone that was there is still talking about it and all were very impressed! - Judy Dolan - Horsham, PA

Dear Jeff , Happy Birthday to the Best Elvis Tribute Artist (Elvis would be proud). Hope you have a terrific Birthday and thanks for being such a good friend to me. See you in September. Barb Depace - Abington, PA

Dear Jeff, I just had to write to you to tell you what a great performance you gave, one of your best. When you sang the Impossible Dream I was so surprised, that is such a hard song to sing and you did it beautiful! That song happens to be our favorite. We all think that it should be on your next album. PLEASEEEEEEEEEEEEEEEEEES. Thanks Jeff for all the good times you give us. God Bless, Kathy Haas - Philadelphia, PA

Ed Enoch - Owner - Manager - Lead Vocalist of the Stamps Quartet - Brentwood, TN

(The Stamps Quartet were backup vocalist for Elvis from 1971- 1977)

Hi Jeff, We had a great time at your performance at Goodwill Beneficial Association in Reading, PA. Barry Vagnoni (Shorty Long's son) - Reading, PA (Shorty Long played with Elvis on several studio recordings such as Hound Dog, Don't Be Cruel & Lawdy Miss Claudy)

Thanks again for a fun night of entertainment. - Bea Dahlen - Newport News, Virginia

Jeff, I just wanted to write to say how much my wife and I enjoyed your performances on the Celebrity Mercury cruise to the Virgin Islands, you are terrific. Jeff's Elvis tribute is absolutely the best performance I have ever seen! I enjoyed his show tremendously and will tell everyone I know to go see him. Excellent job and I look forward to the next show. Keep up the great work! Elvis would be honored! - Tammy Souder - Herford, PA

Have you seen Jeff perform? He is absolutely the best Elvis Tribute Artist in every way I or many have ever seen. Charlie Luecke - Bensalem, PA

We have NEVER heard anything but great comments about your performances. You my friend are the closest we will ever be to "THE KING" ! We have been out to see you many times and have seen many other tribute artists and none of them can compare to the performance you put on! Thank you so very much for all you do! - The Lash Family - Reading, PA

You are truly one of the most amazing performers I have ever seen - even more so than a lot of the "big" popular bands we go to see. Jeff came out and performed at mine and Shawn's wedding a few days ago on June 13th in Trenton, IL. Jeff has been a great friend to Shawn and his family for years now and we were so happy to have him be a part of our day. He made it THE most memorable night of our lives and we owe him a million thanks for it. We had the best time ever and it is all because of you!

On the performance - for those reading this, Jeff performed at Jailhouse Rock which is owned by another Elvis Tribute Artist who is very popular locally in Illinois. Even Jeff Caldwell (the owner/Elvis tribute artist) told me personally several times over two days, that Jeff Krick was truly amazing, nailed the performance dead on, and that he hopes to have him back out here in IL soon. WE CAN'T WAIT TO HAVE HIM OUT HERE AGAIN!!! You have turned so many people out here who were not huge Elvis fans into JEFF KRICK fans, I think they will revolt if you don't come back to perform again!!! I wish you were here to hear everyone raving about your performance that night - people are still talking about it. Even people who couldn't stay the whole night want you to come back to perform again so they can see more. You are also the first entertainer I have ever seen, no matter the age or the style of music, to perform for 4 hours in one night with one 20 minute break and another 10 minute break in between 3 AWESOME sets that "we picked." You are so versatile singing everything from Elvis, to country, to rock n' roll from the 50's to current. WOW!!!! Truly AWESOME!!

Anyone reading this, fans, other tribute artists, record companies and entertainment companies alike, Jeff is the best there is. You would be truly foolish not to bring Jeff on and give him a place to perform. He is amazing! I have never heard anyone sound closer to the real Elvis than he does and to be honest, to all of us who know him, he is a great person as well as an excellent entertainer! Elvis would be extremely proud and honored to have Jeff performing a tribute to him. NO DOUBT, Jeff is the best! He is a true musician and a great person who has become someone I am so blessed to call a friend.

Jeff - Shawn and I can't thank you enough for being there for us on our day and making it so incredibly special. We will never forget what you have done for us. Let me know if there is anything I can do to help book a few more performances for you no matter where they are. I hope the people that saw you perform that night follow through on what they told both you and I. If not, let me know and I will see what I can do to help. You have at least 40 fans out here that would love to see you again, so if you get out this way remotely close let us know - we will all road trip it to see you. And when Shawn and I are out there to visit, we will look you up to see if you have something going that we can catch. Tell Ernie thank you again too for all he did to help. Both of you are true professionals and do such a great job. I wish you the best and offer my help, whatever it may be, to help promote your career because I believe you are the best Elvis Tribute Artist on this planet!!! Take care and talk to you soon! God Bless - Shawn & Tish Bernet - Pocahontas, IL.

We were at the Scottish Rite Cathedral performance with the you and the Stamps Quartet. What an incredible performance it was absolutely wonderful! I thought I was back in 1973 watching Elvis on stage. Thank you for a wonderful evening of great memories and excellent entertainment! We will be back. - Paul, Jean & Larry - Mertztown, PA

Dear Jeff , Another GREAT show on Mother's day at Edgemont caterers!! You continue to prove you are the best Tribute artist anywhere and every time we see you, you continue to prove that. Even with just a sound system and without all the lights etc... You are great! You have the personality, an incredible voice and the ability to entertain a sold out crowd to the max!!! U R The Man !!! 2nd only to Elvis himself and that is something to be very honored about. Until we meet again, Adios. - John & Lori - Philadelphia, PA

I saw him in Yonkers, NY. He was wonderful!!!!!! The best Elvis tribute artist I have ever seen!! Can't wait to see him in another concert. Send me updates of scheduled shows!! - Angela Pirone - New Rochelle, NY

WOW, WOW, WOW, Super show in Boyertown, PA. You have a great voice and are so personable. You shook hands or kissed everyone at the show and took time with everyone. I was very impressed by your versatility. You can sing oldies, country, and my favorite Elvis songs!! Looking forward to seeing you at the Ag Hall in Allentown soon and hope you will be performing elsewhere in the Lehigh Valley this summer? Would be nice at Mayfair (Allentown) or Musikfest (Bethlehem) in August. - Rosemary Childs - Allentown, PA

Hey Jeff, you outdid yourself once again at the dinner dance! Even though we did not do a complete Elvis show you did a couple Elvis songs which were wonderful as always. Everything was great and you were fabulous as always. We are hearing nothing but wonderful remarks and people want to know when the next show is already! They loved it! You melted a little girl's heart with her two favorite Elvis songs "Wonder Of You" & "Burning Love" and you know who that was. Now you've created a little monster with the other songs you did, she loves them all and has not stopped singing since. Thanks for a job well done once again!!!! You're great and we are very blessed to have you in our lives!! God Bless you always brother. We love you. - Kathy & Dan Ulrich - Fleetwood, PA

We went to see your show at Edgemont caterers and had a rocking time. It was the first time me and my boyfriend seen Jeff perform and it is one we will sure not forget. We will be back! We have seen other

tributes but no one nearly as good as Jeff. He was awesome! Thanks for the memories.....TCB with a flash.- Donna Perry - Philadelphia, PA

I was at a recent performance. What a wonderful show Jeff performs. The Elvis memories were great and so was his showmanship. I am so happy that he was so personable to everyone. I have recently suffered (3) heart attacks and am very lucky to be here to see such a great performance. Genny (with a "g") - Philadelphia, PA

Hi Jeff,

There is NO ONE that creates the excitement in an event the way you do! We've been following you for what seems like forever, and having you come out to Akron, Ohio is OUTSTANDING! The people and soon to be fans here in Ohio have no idea what's about to hit town! To all your PA fans --- we'd love to have your support in welcoming Jeff out here for a fantastic debut on 28 FEB 2009. If you can make it give me a call for the few remaining tickets!! We'd love to bring the party WEST. 330-840-9631. Wendy Wittenauer - Akron, OH

Dear Jeff,

Your show was terrific (as usual). Michael and I enjoyed it immensely! Enjoyed some of the great Elvis songs you do hear too much like "Mine", "Suppose" and "Just Pretend". Keep singing and keeping the "King" alive for all of us. You're the best! Thanks again, - Marianne Fogarty - New Jersey

Hello. I was at your performance in Philadelphia. I grew up listening to Elvis, my parents were big fans, as I am. If I didn't know any better you would really think Jeff Krick is Elvis. It was an amazing performance, by far the best Tribute to Elvis I have ever seen or heard. - Michele Wilson - Philadelphia, PA

Hello Jeff, I would like to take this opportunity to tell you how fantastic your performance was. I have seen so many so called Elvis tribute artist and I have been so disappointed by so many including the so called "listener's choice". Who is that guy kidding? Not me or a true Elvis fan. I was at your performance on December 13th not really sure what to expect. I had heard of you but never came out to see you until this last show when my daughter bought tickets for my wife and I. All I can tell you is you were absolutely incredible, from your overall presentation to your stage presence was all the best I had ever seen. Your voice was so good the table I was sitting at made several comments throughout the evening on how great it was. I left there thinking I had gone back in time and saw Elvis at the top of his

career and when he was still with us, you were great!! To anyone who reads this and never saw Jeff I can tell you he is great, I highly recommend him and you will not believe your eyes or ears. Keep it going Jeff! I will be back to see you perform again. - John Little - Cherry Hill, NJ

Hello Jeff,

What a great performance at the Victor Emanuel club. You out did yourself once again and we all had a excellent time. I'm sure we will continue to come out to more of your shows! Keep up the great work, no other artist out there can do it the way you do! Keep on Rocking! - Lisa - Wyomissing, PA

Jeff is a really great performer! I know when my family and I come out to his shows we always have a great time. The crew he has working with him (Ernie, Glenn, Danny, & Vince) do an incredible job with the lighting and the sound equipment. We are all hoping that these awesome shows bring more people in to capture Jeff Krick and his tribute to Elvis! Elvis may be gone but his music and memory live on through Jeff's awesome performances! Not only does Jeff resemble Elvis but he sounds so much like him that it makes it seem like the King himself is still performing. We wish you continued success, you deserve it! - Christinia Wanamaker – Palmerton , PA

Show was awesome. Especially when you sing a Hymn. I relate to many songs you sing. It is more then just a show. Jeff is GREAT! I will go to see him whenever he is in the AREA. God Bless You Jeff, you are the greatest!! Love you. - Delores - Lehighton, PA

A phenomenal performance at First Energy Stadium! Kudos to Jeff for going into the audience to sing a song that was not even on the play list. Then does the song acapella for this lady and performs it wonderfully! A true entertainer in every respect. Can't wait to see what he does next. Donna Wunderlich - Douglassville, PA

Jeff you're the best! We have seen others and no one out there is even close to your performance. You are for sure the closest to the real Elvis and yes, we saw Elvis several times in concert! Susan Techman - Boyertown, PA

Jeff Krick is fantastic! One of the greatest entertainers of our time. Keep up the wonderful work you do!
- James Bevins - Denver, PA

I love all the performances I have ever seen (and I have seen a lot of Jeff's concerts). Great music & great entertainment. Jeff Krick, his family and crew are very friendly people and a pleasure to be around. Jeff is a MUST see if you never have. I don't think anyone else compares to the likeness of Elvis' voice as Jeff Krick does. Keep up the great work! - Lori Windish - Lenhartsville, PA

Hi Jeff

As usual, you were excellent at the ElvisFest at Cannstatter's. You really went all out with the palm trees and the burning tiki torches for your "Aloha From Hawaii" part of the show. I'm glad you didn't catch fire. You really had Cannstatter's decorated well with all the flags for the Memorial Day weekend. You do a great job with your Patriotic Elvis Songs. You brought tears to my eyes. The dance set was wonderful too. I esp. liked "God Bless The USA" very appropriate, in fact it's appropriate any time. God Bless and we will see you at the Police Benefit on June 21st. Deb & Ed Melleski - Northeast Philadelphia, PA

My husband and I have been out to see your shows numerous times. We often bring along several new people to your shows, who quickly become new fans. We sadly admit we have been out to see other so called Elvis Tribute Artist (ETA). Well, we are here to tell you and to the people who read this that you are absolutely, positively the best that is out there! No matter what "some" others may say or attempt to do. We have been to other shows in Las Vegas, Atlantic City and also have been out to some other local performances in and around the Philadelphia area. There is not another ETA out there that can hold a candle to you. THAT IS THE TRUTH! We wish you continued success in all that you do. You are the best, don't ever doubt that or worry about what others are trying to say or to do to you. Trust me they know the truth, even if they won't admit it out loud! But we will and will continue to do so and pass on the word about you! - Kevin & Barb McMann - Philadelphia, PA

"Elvisfest" at Cannstatter's was excellent! Being from Elvis's era I loved the show and will be at all the shows Jeff will be at around this area. Keep up the wonderful tribute, Elvis has to be proud! – Bill May Jr. - Philadelphia, PA

Jeff your shows are really great I enjoy each and every one of them. When the Stamps Quartet perform with you, It's just an incredible evening! Seeing you perform with them is as close to seeing the King himself. Keep doing a great job with your shows! - Larry Wanamaker, Palmerton, PA

Jeff really puts on a heart felt show. I will always treasure him singing to me. That was very kind. I'm seriously ill. Going to his shows gives me the strength to fight every inch of the way. I was in tremendous pain during the show because I could not take my meds because I had to drive. Listening to Jeff and dancing took my mind off the pain. Please let Jeff know I loved every minute of his show! - Sharon Teichman, Philadelphia, PA

We attended Jeff's performance at the Cannstatter's Volkfest Verein and I must say he did not let us down. You talked so very highly about his talent and you were right. He does put on an exceptional show. He is very talented, great voice, has Elvis' mannerisms down and was just so much fun to watch and especially listen to. We loved the way he interacted with the audience. We look forward to joining you again in May! Thanks and keep up the great work! -- Susan Echtermeyer - Philadelphia, PA

Jeff: We saw your show at the Gilbertsville FD and were totally blown away. The entire show was terrific, but if I can pick one song that sent chills, it was How Great Thou Art. It has always been my favorite Elvis gospel song and you certainly do it justice. I can honestly say that it was a pleasure meeting you and seeing your show. Bob Banshore - The oil guy - Shillington, PA

Jeff Krick shook up hearts and souls with his electrifying performance. He made the ladies scream and shout with delight. Jeff's boundless and incredible vocals amazed us all. I was one of the lucky ladies who was serenaded and adorned with a scarf, one of Elvis' beloved trademarks. Jeff tore the house down, he truly is the best Elvis tribute artist. The show was awesome! My husband and I really enjoyed every minute. It definitely was a night to remember. It really showcased the amazing talents of the #1 Elvis Tribute Artist in America. Jeff Krick. puts on a fabulous performance that would make the king himself proud - Viva La Elvis !! Debra Callaway - Philadelphia, PA

My name is Barry Hoffard and I was at Jeff's Tribute to Elvis concert with the Stamps Quartet at the Firehouse in Gilbertsville. Let me start by saying how much we enjoyed the show. I brought a group of 22 people to see the show and all of us had one opinion.....Outstanding!!!!!! A real class act and so on and so on. Last October I booked Jeff to come to New Holland, PA and what a show he did for us! It was a fund raiser for our local New Holland Rec Center which is being built as we speak. The show was a big success and now I am asking myself, what can I do to top this show? I am looking into bringing him back again real soon to my area. Barry Hoffard - New Holland, PA

Hi Jeff & family: What a wonderful show you had at Gilbertsville Saturday night. You out did yourself that was the best show ever. Your kids are great. We have been faithfully going to shows in Gilbertsville since your show at Croc rock. I am glad we gave tickets to my brother & sister in law for Christmas. They enjoyed the show. The music with you & the Stamps out of this world. How Great Thou Art oh my gosh can't put into words what that does to me. Which brings me to another question. Do you think you will ever put together an Inspirational CD? Love your new CD as well and your list of fans is growing in the Drissel family with our 8 & 11 year old Grand daughters. - Shirley Drissel

Thank you for a wonderful evening ! Thanks to you - and as always, we were treated like royalty. It's always a pleasure working with you. You are a true gentlemen, a great singer and I look forward to working with you in the future. Take care and God Bless You, Ed Enoch - The Stamps Quartet

I loved both parts of the show you performed, and the 50's dance set rocked !!!

This is the second time my wife and I have seen you in Williamstown NJ . We enjoyed your performance very much. Hope to see you again in the future. Shirley & Frank

Jeff We love your shows! - The Ritter Family , Macungie , PA

Saw Jeff years ago, and this past Friday night I saw him again at the Temple Fire Co. Fair and I was the first lady to go up and get his first Red scarf and I think he has really gotten greater than ever. Very professional and talented. He is as close to Elvis as I have seen. I saw Elvis live in Las Vegas in March of 1973 at the Hilton. He was wonderful just as you are! Keep up the great work you do, ELVIS would be very proud! Nancy Gordon

Saw your performance with the Stamps Quartet and at Macungie Park. We love your shows, keep up the good work, your crew, family and staff are also great. God bless you all. - Joseph Ifkovitch & Mary Guzy - Allentown, PA

Wow, Incredible! I just saw your show at the car show at Macungie, PA and all I can say is I still have goose bumps from Saturday night's performance. You were singing Jimmy Buffet during the sound check and I thought I was at the Buffet Concert OMG !!! The show opened up and you were singing oldies from the 50's and 60's. I have been on a lot of cruise ships and you are honestly the best performer singing oldies I have ever seen and I have been on at least 15 cruises. The Elvis tribute was totally incredible, the voice, the look, the moves. Can you email me a list of all of your performances? Please keep on singing and God Bless you and your family. Fred Letterio - Philadelphia, PA

Glad you have the website up and running. Yeah!!! Now we have a schedule, so I'm sure that we'll be seeing you soon. July 20th...the night that I graduate from nursing school...I think we'll be celebrating at the Fairview!!!

Jeff performed at our wedding. We try to get to see all of his concerts. He is a wonderful tribute to Elvis and we truly would like to continue following his concerts. Our Friends and Family at our wedding just thought he was so entertaining and truly made them all feel so Special. We will look forward to getting information on Jeff's concerts.

Sincerely, Dotti & Vince Schnell

I though he put on an excellent show, I really wasn't a big "Elvis" fan, I enjoyed listening to his music, but, after the concert, I listen more on Sunday mornings. What impressed me also was how the whole family was involved, your daughter is a fabulous singer also. Macungie, PA

"I've seen Jeff perform twice, I don't remember where the first time. The last time was at Nancy & Arnie Seyler's private birthday party. I would like to know if Jeff will be in the area any time soon so that I can bring some of the girls I work with to his show. Jeff is amazing as Elvis, the best one I've ever seen. Bev - Macungie, PA

Jeff - You are a true professional you make everyone feel special. Thank you for keeping Elvis alive. Thank you also for being kind to Ed "Buddy Holly" Marra, our son. God Bless you and your family. Keep on singing !

We saw Jeff at the Bucks County Sheraton and he is absolutely the best performer I have ever seen in my life!! We cannot get enough of his performances!! I am so grateful to have the pleasure of watching such a talented and seemingly wonderful man bring back the memories and songs of our beloved Elvis!! Thank you Jeff!! We LOVE you!! - Monica - Roslyn, PA

Wanted to tell you that your performances last night in Bucks County at the Sheraton was simply fantastic. It is an honor to be a part of the Elvis and Friends Tribute Concert, and to have the opportunity of working with a talented performer such as yourself. You are a true professional. Continued and unlimited success, my friend. Brooks Saint Ives - Trenton, New Jersey

Jeff did a fantastic performance last night. I was amazed on how much he actually sounds like Elvis. Also as a person, he is a very nice, personable, and caring. We brought my father to see his show. Our Father had 6 minor strokes and a massive stroke. He had along recovery, and is here with us today, by the grace of God, and my Father is a True, die hard Elvis fan and always will be. Jeff took the time out to read my letter I wrote about my Father, and let my Dad have a request. He also gave my Dad a goal, to come and see Jeff when ever he is in town performing. I just wanted to give a HUGE Thank You to Jeff (Elvis), for giving us a great memory of my Dad having the time of his life, that I will always remember, not too mention, every time he is in town, it's a new tradition. Next time, we will be bringing my 8 wonderful children, his 8 Grandchildren to share in the enjoyment, Thanks to their Pop-Pop, they are also Elvis fans!! Thank you again, Jeff ! - Christina McIntire from Glenolden, PA

"This was the greatest show I've ever seen! Elvis would be proud, keep up the good work".....Thanks, Don Diguardi

My dad is a big Elvis/ Jeff Krick fan. He invited my husband and I to join him for Jeff Krick's show in Gilbertsville. It was a rare opportunity to see Jeff Krick with the legendary Stamps. It was an unbelievable show. Jeff Krick got two more fans. We loved him. My dad was right. We drove down from Woodbridge NJ. to see the show. We will be coming back again for his show. Marge M. - Woodbridge, NJ

My 14 yr. old son and I went to the Gilbertsville Fire Company to see Jeff Krick And The "Stamps" .Jeff Krick was phenomenal. Thru him you could just imagine Elvis performing with them. It gave me goose bumps. It was great to see Jeff with the Stamps. What a treat. It was a great show, well worth the ride from Mt. Holly, NJ. - Joe Knipp

JEFF KRICK is our all-time FAVORITE ELVIS TRIBUTE ARTIST. He is the best. He looks like Elvis, talks like Elvis, sings like Elvis, moves like Elvis, the girls scream over him like Elvis....when the concert begins, he BECOMES ELVIS. What excitement!!!! We have 11 of his scarves...I am going for #12 on the next show. We have them right next to the 3 we got from ELVIS years ago. Thanks for bringing back the good times. - John & Cheryl - Deptford, New Jersey

We went to the Elvis & Friends Tribute Concert on Friday night the 30th. It was our second time. I have to be honest, I was always skeptical of 'so called' Tribute Artists....but JEFF KRICK is absolutely

AWESOME and the entire show was Great. In our opinion, It was better this time than last and we can't wait till the next one !!! Keep the spirit alive. - Dan Schoenleber - Philadelphia, PA.

We were so excited! We reserved a table for the Elvis & Friends Tribute Concert back in Philadelphia. We could not wait! We brought along several new fans with us that loved the performance! Jeff Krick is absolutely wonderful as Elvis and truly the best there is. This is the ONLY tribute show we would EVER go to see. - Betty & Jim Anderson - Philadelphia, PA

Fans travel from all over to see Jeff Krick's Tribute to Elvis in Concert, and Friday night was no exception as Jeff performed for a capacity crowd. The show was sold out a couple of weeks in advance. Jeff performed two separate shows which were about an hour and a half each. The theme of the show was Elvis' last concert in Philadelphia on May 26, 1977 and Jeff sang a number of the songs from that concert. Many of the fans at the show saw Elvis at that concert and Jeff certainly brought back the memories. The applause was thunderous and talk about standing ovations! He includes songs from every era, the movies, gospel, country, and tries to fill all the requests made by fans. While Jeff is performing, his love and respect for Elvis is evident along with his God - given talent, making every show a memorable and enjoyable experience. He always takes time after the show to chat, sign autographs and take pictures with the fans. Jeanne Weber - Philadelphia, PA

"Awesome" is the first word that comes to mind when describing Jeff Krick's performance at the Holiday Inn in Trevese, PA. Jeff did two fantastic shows and left the audience begging for more. Jeff readily admits that there was only one Elvis and there will never be anyone who can fill his shoes, but his tribute is one that would certainly make Elvis proud. He puts his heart and soul into his performance. Whether he's singing a love song or gyrating to All Shook Up, he captivates the audience. At Friday night's show Jeff sang songs from Elvis' Vegas song list. He tries to fill all the song requests made, sometimes doing them acappella. He always takes time to pose for pictures, sign autographs, and is always has time for his fans. If you get a chance to see him, I'm sure you'll enjoy his show immensely. - Gayle - Philadelphia, PA

Jeff Krick's return to Romano's was once again spectacular as he performed an Elvis Birthday Tribute Show. He did two separate shows with a short intermission in between to change jumpsuits. Jeff has a large fan base in Philadelphia and his popularity is ever increasing. From the moment he makes an appearance on stage the audience is captivated by his presence. He certainly has the look and the moves, but that voice is just awesome! He sings everything from the 50s thru the 70s including Elvis' gospel and country hits. Jeff's rendition of "Hurt" was absolutely incredible and left the fans begging for

more, even after he sang it a second time. Jeff gives out lots of scarves to the lucky ladies, tries to sing all the requests from the audience, and always takes time after the show to mingle with his fans signing autographs, taking pictures, etc. If you've never seen a Jeff Krick you don't know what you're missing. Thank you, Jeff, for keeping the memory alive with your energetic and sincere tribute to the one and only Elvis Presley! - Philadelphia, PA

Jeff will make you feel like you're watching Elvis himself on stage doing what Elvis loved to do, entertaining the people. If you're an Elvis fan, come out and enjoy the unforgettable music of Elvis Presley, and let Jeff help you relive some of the memories, make new ones, and enjoy the music of the one and only King of Rock-N-Roll! - Ron Cade - Levittown, PA - WOGL 98.1 Radio Personality

In March, those of us lucky enough to live in the eastern Pennsylvania area, and smart enough to buy our tickets early, were able to attend a most memorable tribute, both to the King, and to the Stamps Quartet. Jeff Krick, the #1 Elvis Tribute Artist was honored even more. He announced it was his dream to perform with the Stamps, led by Mr. Ed Enoch (pictured with Jeff), and that night they joined together to give a performance matched by no other. It was a night of memories. A night of being taken back in time. There was no mistaking it, you could almost imagine that it was the early 70's and the Stamps were singing with Elvis himself, this is how real it felt. Every song was right on, and there were so many standing ovations, we couldn't stay in our seats. The Stamps were so impressed with Jeff Krick's talent that they themselves suggested an encore, and will return for another engagement next March in Gilbertsville, Pa. The electricity in that hall was phenomenal. And believe it, everyone's still talking about it, and planning on being at the next one, standing room only. And I'm going to be first in line. Forever Elvis' & Jeff's Fan,

Judy Fontana - Boyertown, Pennsylvania

Jeff Krick performed a birthday tribute to Elvis at the Westover Country Club. There were two shows and both performances were outstanding! Jeff puts his heart and soul into his performance and sings songs from every Elvis era.....the early years, the movie years, the Vegas years, gospel..... and does justice to every song he sings. Jeff has an incredible voice and delights the audience with both his voice and his gyrations. Seeing Jeff perform surely brings back memories of Elvis, but Jeff will be the first to say that there was only one Elvis. His tribute is one not to be missed. He will be doing a show in Gilbertsville, PA with the Stamps Quartet. I have my tickets and I'm looking forward to another incredible show. - Susan - Bensalem, PA
